

WHAT'S THIS ABOUT SDG?

CALL TO ACTION LINK

SDG Indigenous People's community announcement list for policy makers and practitioners involved in international sustainable development, particularly those focused on follow up to the post-2015 development agenda and implementation activities related to the 2030 Agenda for Sustainable Development. This free knowledge-sharing tool is managed and moderated by the International Institute for Sustainable Development (IISD) Reporting Services. **SDG** is a peer-to-peer service meant to advance understanding.
