**Was Christopher Columbus Real
Or Simply An Elaborate Cover Story?**

Instinctively I've always found it disturbingly coincidental that the name **Christopher Columbus** just so happens to literally means "**Christ or Christianity Colonizing**". Intuitively to me, that always seemed extremely odd!

Researching the matter I found the earliest mentioning of the **ICONIC Metaphor** Christopher Columbus or The European's Christopher Columbus Cove Story arrived in their citizenry's consciousness in **1883** in which there simply appeared out of thin air a book (without a named author) entitled "**THE DISCOVERY OF AMERICA - AN OUTGROWTH OF THE CONQUEST OF THE MOORS (BY THE SPANIARDS)**". A TEACHER'S INDOCTRINATION DOCUMENT!

Interestingly enough the following events were also occurring that same year as teachers began designating the new story of Christopher Columbus:

A British army defeats the Ottoman Egyptian force at the Battle of Tell al-Kabir.

Jun 13 1883 The **MOORISH** *Duchess Olda Alexandrovna, Grand Duchess of Russia* **BEGIN EXPELLING EUROPEAN JEWS OUT OF RUSSIA!**

The Supreme Court invalidated the Civil Rights Act passed by Congress on Mar 1, 1875.

U.S. Supreme Court declared Indigenous American to be "Dependent Aliens."

Race riots took place in Danville, Virginia, and 4 MOORS were killed.

Commemorating 100 years of independence, the

French presented the Second and Final Statue of Liberty and the call or Genetic Infusion Request went out: SEND US YOUR HUDDLED MASSES!

There was also a need for the development of the "INDIANS" story to back up the story of how Columbus supposedly thought the Moorish Indigenous Aborigines of their land were come upon and mistaken for "INDIAN" because he thought he was in India. So, that same year *The First HOW THE WEST WAS WON WILD WEST LIVE HISTORY SHOW* was performed in North Platte, Nebraska, and was organized by **Buffalo Bill (William F. Cody)**, who took the show on the road the following year.

At this same time the Ottoman's had just MASSACRED all of the British General William Hicks' troops as they marched toward El Obeid in the Sudan.

In response to a ISLAMIC Nationalist Revolt in Egypt, Britain and **France support the Ottoman sultan.**

Britain is concerned about the Suez Canal, and Queen Victoria wants to protect Christians in Egypt. Exercising her power to consult with and advise her government, she favors keeping troops in Egypt.

Pan-Islamic Rebellion lead by **Muhammad Ahmad** proclaimed himself **The Mad Mahdi** (ISLAMIC REDEEMER) **CONNECTED the railways between CON-STANTEN-OPEL AND BAGDAD** and was **kicking England out of what we now call the Middle East** - - -

The Secret Service was established and Congress approved the White Supremacy ASIATIC EXCLUSION ACT (Later RENAMED THE CHINESE EXCLUSION ACT)

SIX Months after **OVERTHROW OF THE BRITISH AT Khartoum 1885 Muhammad Ahmad** found dead.
